<u>PUBLIC ASSISTANCE</u> You will continue to get the SAME AMOUNT of public assistance benefits: \$753.00. Even though we figured your public assistance benefits again for December 1, 2018, it did not change the amount of public assistance benefits you get. Your monthly public assistance benefit of \$753.00 will be distributed as follows: <ul style="list-style-type: none"> o Semi-monthly cash grant: \$94.00 o Restricted shelter payment : \$565.00 If you have any changes in your household such as increased rent or someone else moving in, tell your worker right away. A change in your household could mean a change in your benefit amount. Please see the budget calculation section of this notice for an explanation of how we figured your benefit amount. This decision is based on Regulation 18 NYCRR 351.2(d). We recalculated your budget because: <ul style="list-style-type: none"> o There is/are now 1 person(s) sanctioned for not complying with a public assistance rule. The household's public assistance benefit must be reduced prorata when a household member will not cooperate with public assistance program rules. This means that the person's share of the benefit will not be provided. One person is not disqualified from receiving SNAP benefits, but the amount of public assistance money that the person lost because of the					

sanction is counted as income in the SNAP benefits budget.

This decision is based on Regulation 18 NYCRR 352.30(d).
