

INSTRUCTIONS TO CERTIFIED EXAMINER:

- Regular observation of a driver's defensive driving performance must be conducted while the driver is operating the vehicle with passengers.
This observation shall NOT be conducted on the same day as the biennial behind-the-wheel road test.
Observation may be conducted either inside or outside of the bus that the driver is operating.
Discuss performance with driver, and complete the Observation, Driver Acknowledgement, and Examiner's Certification sections below.

SECTION 1 - DRIVER INFORMATION

Form with fields: Driver's Last Name, First, M.I., Date of Birth (Month/Day/Year), Driver License ID Number, State Licensed, License Class, Endorsements, Restrictions, Expiration Date

SECTION 2 - CARRIER INFORMATION

Form with fields: Carrier/DBA Name, Legal Name (if different), Federal ID Number, 19-A Business ID Number

SECTION 3 - VEHICLE INFORMATION

Form with fields: Type of Vehicle, Adult Seating Capacity, GVWR, Vehicle Plate Number, State

SECTION 4 - OBSERVATION Observation Conducted: [ ] Inside [ ] Outside

Table with 10 rows of observations (1-10) and columns for Satisfactory/Unsatisfactory ratings.

Comments: (required if Unsatisfactory is checked above)

SECTION 5 - DRIVER ACKNOWLEDGEMENT

I acknowledge discussion of my defensive driving performance with the examiner who observed and rated my performance.

Signature and Date lines for the driver.

SECTION 6 - EXAMINER'S CERTIFICATION

Form with fields: Certified Examiner's Name, Driver License ID Number, Certificate Number, Certification Class, Endorsements, Restrictions, Expiration Date

CERTIFICATION: I certify that the above report is, to the best of my knowledge, true and correct, that I personally observed the above driver's defensive driving performance...

Signature and Date lines for the examiner.
