

ABOUT THE IRP

**IMPORTANT: The public counter at the IRB Albany Office remains closed and does not accept IRB Drop off applications. You are required to process all New Account applications by mail.**

The International Registration Plan (IRP) is an agreement between 48 U.S. states, the District of Columbia and 10 Canadian provinces which recognizes the registration of commercial motor vehicles issued by other jurisdictions.

All commercial vehicles that weigh more than 26,000 lbs. *gross weight*, either alone or in combination or having 3 or more axles (regardless of weight) and travel in two jurisdictions or more are eligible to register in IRP.

Under IRP, an interstate carrier files an application with the jurisdiction where the interstate carrier is based. The IRP agreement allows the base jurisdiction to collect the registration fees for the other IRP jurisdictions. The base jurisdiction issues a set of plates and a cab card for each vehicle. The cab card lists **all** the IRP member jurisdictions and corresponding weights.

**REQUIREMENTS FOR IRP REGISTRATION IN NEW YORK STATE**

**All forms and instructions are found on the DMV website at  
<https://dmv.ny.gov/motor-carriers/international-registration-plan-irp>**

**NOTE: Do not submit your New Account Application without all required documentation**

In addition to having an established place of business in New York State (NYS) or in a non-IRP jurisdiction (Alaska, Hawaii, Northwest Territory or Yukon Territory), you must provide the following:

1. A Schedule A & C (*form IRP-6*) and Schedule B (*form IRP-5*).
2. A copy of the NY title, or the receipt for a NY title (*form FS-6T*), in the owner's name; or
3. A copy of an out-of-state title in the owner's name, with the sales tax clearance from a NYS Motor Vehicles office (*form FS-6T*). If the out-of-state title is held by a lienholder, you must provide a copy of the title, certified by the lienholder. The lienholder must provide a statement identifying the owner and the vehicle's year, make and VIN. The statement must be an original on the lienholder's letterhead, and must state that the lienholder holds the original title and is aware that the title copy will be used to register the vehicle in NYS. The letter must be unconditional (for example, the lienholder cannot ask for a notification when the vehicle is registered).
4. If the registrant is different from the owner, you must provide authorization to register the vehicle by having the owner complete any one of the following for each vehicle: the "Registration Authorization" section on form IRP-6 or IRP-6A; IRP Registration Authorization Information (*form IRP-95*); or the "Different Owner" section on the Vehicle Registration/Title Application (*form MV-82*).
5. NYS Insurance Identification Card (*form FS-20, FS-21, FH-1 or FS-77*) in the registrant's name (must be barcoded and scannable) **OR** a copy of a federal ICC/MC or NYS DOT permit in the registrant's name. The effective date of the NYS Insurance Identification Card must not be more than 45 days of the date of submission.
6. Proof of payment of the Federal Heavy Vehicle Use Tax (*IRS Form 2290*) for vehicles registering at 55,000 lbs. or higher. Acceptable proof of payment:
  - A legible copy of the receipted Internal Revenue Service (IRS) Schedule 1 (Form 2290), listing vehicle identification number(s).
  - In lieu of a receipted IRS Schedule 1 (Form 2290), we will accept a legible copy of the Schedule 1 (Form 2290) and a copy of proof of payment document (for example, canceled check front and back, proof of electronic payment to the IRS).
7. Proof of identity for the registrant (*and owner, if different from the registrant*), or for the person signing with a power of attorney. Refer to Proofs of Identity for Registration and Title (*form ID-82*), available at <https://dmv.ny.gov/forms/id82.pdf>.
8. Photocopy of the registration receipt if the vehicle is currently registered in NYS.
9. Proof of incorporation - NYS Department of State filing receipt.

10. Proof of DBA. **For corporate DBAs:** a filing receipt from the NYS Department of State with the DBA listed. **For individual or partnership DBAs:** a copy of the DBA filing receipt issued by the County Clerk.
11. Proof of partnership - a Certificate of Partnership filed with the County Clerk. If there are more than two partners, you must also provide a Statement of Partnership or Joint Ownership (*form MV-83T*) available on the DMV Website at: <https://dmv.ny.gov/forms/mv83t.pdf>
12. Overweight/Oversize Permit - Overweight permits must be obtained from the appropriate regulatory agencies if you want to register at a weight higher than the allowable weight. If you want to register a tractor in New York at a weight that exceed 80,000lbs., you are required to provide a Perm-65, a valid overweight permit or a special hauling permit issued by either the New York City or New York State Department of Transportation (the weight indication on the document submitted will be the maximum weight allowed on your registration).
13. Proof of an established place of residency or business (see the instructions below).  
If the registration documents are submitted by someone other than the registrant, proof of identity must be submitted for the registrant (as described in number 7 above) and for the person who provides the documentation by mail.
