When you apply for a certificate of title, tell the Motor Vehicles Representative who assists you that you want to “apply only for a title because you will have an IRP apportioned registration”.

Upon receipt of the necessary documents and forms, the Motor Vehicles Representative will process the title transaction and give you form FS-6T (receipt for Application of Title) as shown below:

If the receipt does not specify “Title - $50.00” as shown above, it is incorrect and should be returned to the Motor Vehicles Representative who assisted you, for correction.
