

The TEENS Program is a voluntary FREE service provided by the New York State Department of Motor Vehicles that informs the parent of a minor (under the age of 18) when a conviction, suspension, revocation, accident, or ticket is posted to the minor's license record.

Preconditions for Enrollment

The following conditions must be met to enroll in the program:

- The child is under the age of 18
- The parent/guardian has a NYS license or non-driver ID

How to Enroll

There are three ways to enroll in this program:

1. The minor's parent/guardian can indicate that they would like to participate in TEENS by providing the parent/guardian's license or non-driver ID # in the TEENS section of the 'Parent/Guardian Consent' box on the minor's *Application for Driver License or Non-Driver ID* (form MV-44).
2. Parents/guardians may sign up to receive electronic notifications through participation in MyDMV. First, go to dmv.ny.gov/mydmv/mydmv and complete your MyDMV Enrollment. Parents/guardians will then be able to enroll on-line by selecting the TEENS application and providing the necessary information regarding their minor.
3. The parent/guardian can obtain form **MV-TEENS** (*Teen Electronic Event Notification Service Enrollment and Consent*). This form can be obtained two ways:
 - Downloaded from DMV's website at: dmv.ny.gov/dmv-records/monitor-my-teen-driver-teens
 - Ask for form MV-TEENS at any NYS DMV office.

The parent/guardian must fill out the form **completely**. The following information is required to fill out the form:

- Parent/guardian's name
- Parent/guardian's license or non-driver ID #
- Minor's name
- Minor's license or non-driver ID #
- Minor's birth date
- Parent/guardian's relationship to the minor
