NEW CUSTOMERS:

Before your order can be processed, an Authorization and Approval form (MV-278.7) must be on file with DMV’s Utica Processing Center. The MV-278.7 must contain the names and signatures of all individuals authorized to request books of certificates (MV-278) for your organization. Copies of the Driver Education Instructor Certificate (MV-283AB) for each instructor who will issue completion certificates (MV-278) must also be on file with the Utica office.

New customers may order one book. You will be notified by the Utica Processing Center of your subsequent order quantity. This amount will be determined based on a review of information submitted with your first order: class frequency and average number of students per class.

ORDERS WILL BE REJECTED IF ANY OF THE FOLLOWING APPLY:

- ◆ An Authorization and Approval form (MV-278.7) is not on file with the Utica Processing Center.
- ◆ The requestor is not listed on the Authorization and Approval form (MV-278.7) for the secondary school or college.
- ◆ The number of books requested exceeds the maximum number allowed.*
- ◆ Class rosters were not submitted with the order.
- ◆ An incorrect fee was submitted.
- ◆ The payment method is not in the form of a check or money order.
- ◆ The secondary school or college has been reported as being in “bad check” status. The order cannot be filled until the bad check has been satisfied and the civil penalty has been paid.
- ◆ The payment method is not a certified check or money order for those secondary schools or colleges that have restricted payment options due to a previous “bad check” status.

* If additional books are required, you must provide a justification in writing to the Utica Processing Center before submitting your order.
