#### PROOF OF INSURANCE

Proof of insurance is not necessary when registering a snowmobile. However, the Parks, Recreation and Historic Preservation Law requires the owner of a snowmobile to have liability insurance if the snowmobile is operated on a roadway, shoulder of a highway, or on property which is owned, leased or held in easement by a person other than the owner or operator of the snowmobile.

#### PROOF OF SALES TAX CLEARANCE

1. If the snowmobile is purchased from a dealer, evidence that sales tax has been collected by the dealer is required. Dealers have been instructed to include: the amount of sales tax collected on the bill of sale; or a statement that all sales tax has been collected; or a statement that sales tax is not due and the reason why.
2. If sales tax has not been paid to a registered NYS dealer or to the NYS Department of Tax and Finance, it will be collected by DMV when the snowmobile is registered.
3. If claiming an exemption from sales tax, complete form DTF-803.
4. If sales tax was paid to another state, and credit is allowed, complete form DTF-804 and pay the remainder, if any, of the tax due to New York State. If no credit is allowed, complete form DTF-802.
5. If the snowmobile was purchased through a private sale (one individual to another), or received as a gift, complete form DTF-802.

**NOTE:** Sales tax forms may be obtained from any Motor Vehicles office or from the NYS Tax Department. They are also available on the DMV web site (dmv.ny.gov) and the Tax and Finance web site (www.tax.ny.gov).
