

INSTRUCTIONS

- ◆ The certified inspector who completes the diesel emissions inspection (smoke opacity test) at an official diesel emission inspection station (ODEIS) must complete and sign this form. The owner/operator of the vehicle must also sign this form.
- ◆ All repairs and/or adjustments made to the vehicle to pass a diesel emissions inspection (smoke opacity test) must be accurately recorded below.
- ◆ To potentially reduce the penalty for failing a roadside heavy-duty diesel inspection (ECL §19-0320), the diesel vehicle must pass the diesel emissions inspection (smoke opacity test), including all applicable emission control device (ECD) checks, within 30 days of the summons or appearance ticket. A completed form and copies of all repair invoices and/or parts receipts must be provided to the vehicle owner/operator by the ODEIS for the purpose of providing documentation to the court or administrative tribunal on or before the return date of the summons or appearance ticket.

If you have any questions about this form, call New York State Department of Environmental Conservation, Division of Air Resources at (518) 402-8292.

Penalty Reduction No. _____

Engine Model Year _____

Vehicle Make _____

Plate No. _____

Mileage _____

VIN _____

Ticket No. _____
